

A Difficult Answer.

Your situation is very delicate. The most important thing you need to do is to support your friend Charles in this love story. You should tell to Charles that he should talk of his situation with Georges without telling him that he is the boy in question. Then, he will know what Georges thinks of it. It will help him to talk about his situation without looking stupid. You can't anticipate the end of that. Maybe some people will laugh at him but his real friends, like you, will stay to help him to get through the situation. You can also refer him to a sexologist who will know what to do. I hope your friend will be happy in life, even if it doesn't work with Georges. He is not the only boy in this situation. It's sure that he will find the good one. We hope it helped you.
