

A difficult situation

Oh boy! I have a serious issue but I don't know what to do. My best friend Charles has a secret crush on a boy who's one of my friends too, Georges. Charles talked to me about it. He asked me if he should tell that to him or not. I answered that I really didn't know what to do because I'm not homosexual! I don't want him to look stupid or to keep his feelings inside. I don't want him to be bullied by people too because of his situation. I'm not very used to these kinds of problems, but I can say that I want him to be happy in life, that's a nice guy. He tried different solutions. He asked him subtly if he had a girlfriend and he answered that he did not. Charles also asks him often to hang out together but you know, that is not easy. Please somebody, help me! If I could do something for them and you have an idea, tell it!
